# SUBSCRIPTION VALUE BREAKDOWN

## WEEKLY TESTING

A Subscription Value is based on how many components your Fire Protection System has.

Each item has an initial cost and a discounted cost for every additional item thereafter.

## ANNUAL SERVICING

At QD Fire we know your Annual Service of Fire Pumps can be expensive!

We can split that fee up across 12 months and include it in your monthly subscription value too!

Description	Inspection Periods	Items	Qty	Testing Cost each

## HOW TO CALCULATE YOUR SUBSCRIPTION VALUE

Subscription values are calculated as follows:

If you have 2 ICV's, then the value would be R750 for the first ICV and R350 for each ICV thereafter which comes to a total value of R1100.00 Ex vat per month.

The total value calculated is the value of your subscription per month and will be invoiced on the 1st of each month.

Terms and Conditions apply.
